

## Gardening Project, Fatima Mission Zimbabwe – February 2023.

Photos no: 1 & 2

The young people sowing sugar beans and Chomolia.  
They also sowed the maize field – green plants to the left of the young people.

**Photo no: 3**

The pipes (shown above & below) are the drip irrigation system installed to water the plants.

**Photo no: 4**

A good harvest

July 2023

A harvest of carrots!
